Dear Parents/Carers

Relationships Education

I know many of you will be aware of the coverage of Relationships Education in the news recently. A number of you have spoken to us about how this will be approached at Clifton Primary School.

I want to reassure all of you that we are sensitive to the needs of the community we serve and that we will not implement anything until we have consulted with you, to hear your views.

We will be holding consultation meetings with parents where you will be able to share your thoughts and ask any questions you may have. I will be in touch in the near future with the times and dates of these meetings, which will be held later this month.

We look forward to working with you to ensure the best way forward for the Clifton community.

Yours sincerely

Mr N. Lambert
