Dear Parents and Carers

Relationships Education

Thank you to all of you who attended our first consultation meeting a couple of weeks ago. We met with over 270 parents who were able to share their thoughts and views on how we teach relationships education at Clifton.

We want to deliver the best possible teaching on this topic in a way that is right for our pupils, our school, and the community we serve. The first consultation meetings very much helped us in the first steps to achieving this.

Following your contributions, we have amended our programme of work and summarised our approach in a policy. We are currently organising the resources to be used. We would like to invite you back to share what we have done as a result of the first set of meetings.

I will be in touch after Easter with dates and times.

Thank you once again for your continued support.

Yours sincerely,

Nick Lambert
