Dear Parents and Carers

Ofsted Report

Further to my letter last week I am pleased to let you know that the report from the school's Ofsted inspection of 14th and 15th May is now available on our website. I also attach a summary of the report, including our priorities for improvement.

You will see that the school has been judged as good overall. This matches the evaluation that I and my senior leaders have given our school over the last few months. It is many years, and under a different inspection framework, since the school was judged as outstanding.

As you will read, the inspection team were extremely positive about the school. Teaching is good, the curriculum is broad and rich, behaviour is good with positive relationships helping the children learn well. There is a strong safeguarding culture and attendance is improving. I am particularly pleased that the inspectors acknowledge the rapid improvements that are taking place.

In particular I would like to thank all of you for being, as the team describes, overwhelmingly supportive of the school. Thank you for this – I know it means a lot to staff and children alike.

The full report is available on the school website from today and will be available on Ofsted's website in the next few days.

Thank you again for your continued support.

Yours sincerely,

Nick Lambert
