Dear Parents and Carers

Yr6 update

Although SATs are out of the way it continues to be very busy in Yr6, with lots of things to cover this half term. I have highlighted just a few below;

- Pupils are working hard towards the Yr6 production at the end of the year. They are working with Mr Tims (our artist in residence) and Mr Adderley (one of our parents) who are helping with the backdrop and music for the performance
- In terms of trips we are going to the Great British Science fair at Birmingham City University next week and Drayton Manor Park at the end of June
- We will be teaching relationships education this half term. As discussed at our consultation meetings one of these lessons regards human reproduction. You do have the right to withdraw your child from this lesson. Please put your request in writing to myself via the school office no later than the 19th June
- We continue to work with your child's secondary school to ensure as smooth a transition as possible. Secondary school transfer day is Wednesday 3rd July with lots of visits from various schools to Clifton to meet the children.

We are still working hard in all curriculum areas before the leavers' party on 17th July and the leavers' service on Wednesday 18th July.

I know Mrs Waters and the Yr6 team are working hard to ensure that your child has a great last few weeks at Clifton Primary School! Many thanks.

Yours sincerely,

Nick Lambert
