Thursday 5<sup>th</sup> September 2019

Dear Parents and Carers,

Welcome back to the 2019-2020 academic year! We have really been looking forward to school starting back after the summer break. All the classes in a year group are now in the same building. We have Yrs 1 and 2 in Rainforest building and Yrs 3, 4 and 5 in Ocean building. As before, Early Years and Yr 6 will be in Woodland and Universe buildings respectively. I know that everyone is very pleased about this and feel we are back together as one school, even though we have many buildings!

We think this new way of organising our school will bring an even greater focus to our key priorities this year. We want to improve outcomes for all pupils and groups of pupils – focussing on reading, handwriting and times tables in maths. Of course, we are also fully committed to offering a rich and broad curriculum across the school so that pupils get a range of opportunities during their time at Clifton.

I was very pleased yesterday to see the children looking so smart and ready to learn on their first day back. In particular I noticed only a few children wearing trainers! Thank you for your co-operation in this.

As I begin my second year as head at Clifton I am very much looking forward to working with you all and to your continued support.

Many thanks.

Yours sincerely

Nick Lambert
