Dear Parents and Carers

Yr6 update

Year 6 are getting into the swing of things already! The children came back to school looking very smart and they are all proud to be wearing their black sweatshirts. Virtually everyone is wearing appropriate school shoes so thank you for that. The Autumn term looks like being just as busy as the summer but I have highlighted a few things below;

- Pupils have started working hard on their Maths and English, children have taken their first 'baseline' test and sets started last week
- SAT's Inspire meeting will take place in the week beginning 7th October.
- All pupils will be participating in the Big Draw on Monday 14th October. Look out for their amazing creations in the playground!
- As discussed at our consultation meetings we will be teaching relationships education this half term. In a few weeks one of these lessons regards human reproduction. You have the right to withdraw your child from this lesson. Please put your request in writing to myself via the school office no later than Tuesday 15th October.
- We are hoping to launch our homework programme the week before half term.

The children are really looking forward to going to Woodlands tomorrow to do some team building activities

I know Mrs Waters and the Yr6 team are working hard to ensure that your child has a great start to their last year at Clifton Primary School! Many thanks.

Yours sincerely,

Nick Lambert
