

Clifton Y3/4 Mini Olympics

Wednesday 13th June 2012

All the children from years 3 and 4 took part in an incredible day - Clifton Primary's very own mini Olympics!

We mixed up the classes to work with some new friends. Our first challenge was to create our countries flag using collage. The result was amazing. We later used these flags in the opening ceremony.

It was then time for us to create our very own Olympic sport. We were given some equipment that could be used in the game. We wrote our own rules and instructions so that other children could have a go at playing our new sport.

It was very important for us to work as a team in order to make the game a success!

The highlight of the day was when we had the chance to compete against each other in our own Olympic style games. We ran, threw, skipped, guided and jumped.
