

Clifton score success in School Games Level 2 and 3!

Clifton Primary continued their brilliant performances in School Games at the start of 2016. Having won several events in the Autumn Term, Clifton pupils took part in the Birmingham Winter School Games finals at the [Birmingham International Futsal Arena](#) and quailed for the [Primary Summer Games Finals](#) on the 8th July!

The highlight of the term was our qualification for the Birmingham Winter Games Finals on February 9th. Not only did the Y3/4 football and SEND athletics teams do us proud, but we actually opened the whole event with the pupil pledge! The standout performance was the SEND Sportshall athletics team in the coming 2nd against 8 other schools.

Clifton pupils open the games. Our SEND Sportshall athletics team with Alistair Heaton.

Clifton goes tennis crazy!

Clifton pupils are always playing tennis; at break-times, lunchtimes, lessons and clubs. The pupils used all this experience when taking part in a range of activities in the Spring term. Once again our teams won the [Calthorpe School Sport Partnership](#) LV2 event at Cannon Hill Park, with the Year 5/6 teams finishing in 1st and 3rd place. The Year 3/4 teams did wonderfully to win and come runners up in their tournament.

Both teams will qualify again for the summer games, staged during the prestigious [Aegon Classic Championships at Edgbaston Priory](#) Club.

What a term!

In addition to all the achievement's detailed above, we also took part in the Year 5/6 Calthorpe SSP Sportshall athletics festival in January and started our defence of the Greet Football League in March.

Alongside our competitions, we also visited the British Davis Cup team during their match against Japan in February and even took part in a tennis training video with Stuart Maidment from Cannon Hill Park Tennis and British Tennis. We'll let you know when it goes online on YouTube!

Here are some more amazing scenes from a stunning term:

Clifton pupils star in a special training video for [British Tennis](#) at Cannon Hill Park.
